

Happy New Year from Lazarus & Silvyn, P.C.

2021

Happy New Year

We're thankful for our new and old friendships, and the individuals, communities and developers that have entrusted us to work with them this year. With 2020 behind us, we want to wish everyone a VERY healthy and happy new year. We are looking forward to 2021!

We wish to thank you, our friends and colleagues, for being a part of our story in 2020 and for allowing us to be a part of yours. In that spirit, we have made a donation to the Phoenix and Tucson Community Food Banks in your honor.

We sincerely thank you and want to wish you all peace, joy and prosperity in 2021.
